

SGX Privacy Policy

Last Modified: Feb 28, 2025

1. Introduction

SGX (hereinafter referred to as "**SGX**," "**we**," or "**the website**") is a web platform that provides AI-powered chart analysis and cryptocurrency investment support services. This Privacy Policy explains how SGX collects, uses, protects, and processes users' personal information while ensuring their privacy rights. Please read this policy carefully before using our services.

2. Personal Information We Collect

SGX collects only the minimum personal data necessary for service provision and improvement. The information collected includes the following:

- **Wallet Information:** The cryptocurrency wallet address that users connect to access SGX services (e.g., Phantom, MetaMask, OKX Wallet, etc.). SGX **does not** store or request users' private keys, seed phrases, or other sensitive information.
- **Token Holdings:** Minimal data from the wallet (e.g., token balance) is collected to verify SGX token (SGX) holdings.
- **Usage Data:** Data generated while using the service (e.g., chart viewing history, AI analysis results, etc.). This data may be processed in an anonymized form.
- **Optional Information:** Email addresses or contact details provided when submitting customer support requests.

We do not collect unnecessary personal information without users' consent, and we process only the minimum required data unless legally mandated otherwise.

3. Purpose of Personal Information Use

The collected personal information is used for the following purposes:

- **Service Provision:** Providing AI-based chart analysis, chart signals, and benefits based on SGX token holdings.
- **Service Improvement:** Analyzing data and collecting feedback to enhance user experience.

- **Customer Support:** Contacting users to address inquiries or resolve issues.
- **Legal Compliance:** Ensuring compliance with applicable laws and regulations when required.

4. Data Retention and Processing Period

SGX retains personal information only for the duration of service provision and deletes it immediately upon service termination or user request.

- If legal obligations (e.g., tax reporting, legal disputes) require the retention of certain data, it will be stored for the legally mandated period and then promptly deleted.
- **Wallet addresses and token holdings** are processed only during service usage and will be deleted within **30 days after service termination**, unless legal requirements dictate otherwise.

5. Data Sharing and Third-Party Disclosure

SGX does not provide or sell users' personal information to third parties without their consent. However, information may be shared in the following exceptional cases:

- **Legal Requests:** If required by law or requested by law enforcement agencies.
- **Trusted Third-Party Partners:** When necessary for service provision (e.g., blockchain networks, cloud service providers), only **minimal** data will be shared. In such cases, third parties must comply with SGX's privacy policy.
- **User Consent:** If data sharing is required, we will obtain user consent or provide prior notice.

6. Data Protection Measures

SGX applies **the latest security technologies** (e.g., **data encryption, firewalls, and access control**) to protect personal information.

However, due to the inherent nature of the internet and blockchain networks, **100% security cannot be guaranteed**. Users should take necessary precautions to protect their wallet security and personal data.

In the event of a **data breach or security incident**, we will notify users and relevant authorities **within 48 hours**.

7. User Rights

Users have the following rights regarding their personal information:

- **Access and Modification Requests:** Users can request to access, modify, or delete their personal information.
- **Request to Stop Processing:** Users can request to stop the processing of their personal data or withdraw from the service.
- **Withdrawal of Consent:** Users can withdraw their consent to the collection and processing of their personal information.

Users can exercise these rights by contacting us via **email ()** or by submitting a request through the **SGX website's customer support section**. We will process requests in a lawful and fair manner, responding without unnecessary delays.

8. Cookies and Tracking Technologies

SGX may use **cookies and similar tracking technologies** to improve service quality.

- Cookies can be **disabled** through browser settings. For details on cookie settings, please refer to the help section of your browser provider.
- Data collected via cookies is **anonymized** and used solely for service improvements, ensuring that users **cannot be personally identified**.

9. International Data Transfers

To provide services to users worldwide, **SGX may transfer data to multiple countries**.

When transferring data internationally, **SGX complies with applicable data protection laws (e.g., GDPR)** and takes **appropriate security measures** to protect user data.

10. Children's Privacy

SGX does not knowingly collect personal information from individuals under the age of 18.

If a minor has provided personal information, **parental or legal guardian consent is required**, and we will delete the information upon request from the guardian.

11. Changes to the Privacy Policy

SGX may update this Privacy Policy as necessary for service operations, and any changes will be **posted on the SGX website**.

If there are **significant changes**, we will notify users via **email or in-service notifications**.

Continued use of the service after changes are made constitutes **acceptance of the revised policy**.

12. Contact Information

For inquiries regarding this Privacy Policy or personal data matters, please contact us:
